### **D1: Mt. Rainier National Park**

Mt. Rainier is the fifth national park in the United States, the first known as the Indians near the tahoma, meaning the sacred mountain. It is the highest volcano in the United States, more than 2500 meters above the peak of the mountain, more than 600 meters higher than Japan's Mount Fuji, Washington is the first landmark, so its stalwart is also printed on the state's license plate. Rainier Snow Mountain has the largest single glacier except Alaska, as well as the largest ice system, 95% of the park is kept in its original state.

Go to Mt. Rainier to see the tallest volcano of the continental United States by visiting Christine Falls, Narada Falls, and Paradise Road.

**Hotel: Red Lion / Quality Inn / Comfort Inn / Hampton Inn or similar**

### **D2: Olympic National Park**

One of the most famous national parks in the western part of the United States has the world's largest temperate native rainforest and is listed on the World Heritage List by UNESCO as a natural heritage. The Olympic National Park is the largest original area of the United States, except for Alaska, with a total area of 3628 square kilometers, which is famous for combining the three distinct ecological environments of the coast, mountains and rainforests throughout the area. In the middle of the peninsula stands towering with the magnificent Olympic Mountains, 60 glaciers stretch endless. The tourists who love nature will find the paradise of the dream here.

**[Hurricane Ridge]** overlooking the virgin forest, walking between the clouds, looking into the 19 mountains of the Olympic mountains (in case of bad weather cannot reach the hurricane Ridge, we will go to the Olympic National Park temperate rain forest area).

**[Crescent Lake]** is located in the famous 101 highway, because the shape of the lake like a bend of the moon named Glacier carved Crescent Lake has the original waters that make it full of mystery.

**[Seattle Ferry]** In the evening, we will experience the Seattle people's special lifestyle, take the ferry from the largest ferry team in North America to return to Seattle from the Baltic Island (such as the ferry for any special reasons closed or late, we will drive back to Seattle).

Travel to Olympic National Park with visiting Hurricane Ridge, Lake Crescent and many other great wonders of the natural beauty.
